No-Cost Flu Shots and Other Immunizations

Immunizations are an important step in preventing illnesses and staying healthy. They are a covered service under members' medical benefits.

To provide greater access to this service, Horizon Blue Cross Blue Shield of New Jersey's in-state immunization network includes pharmacies in our medical network to provide immunizations throughout the year. These pharmacies can administer vaccines, including flu, shingles, hepatitis A and B, pneumococcal, human papillomavirus (HPV), tetanus and measles-mumps-rubella (MMR), and submit medical claims for these services.

The New Jersey locations of the participating pharmacies listed below can administer vaccines.
